

ELMRIDGE PARK TENNIS & PICKLEBALL CLUB JUNE NEWSLETTER

COMMUNITY DAY CELEBRATION

A fantastic Community Day on June 20th brought neighbors together for an unforgettable afternoon of fun and connection!

From intense smash cage battles and friendly tennis and pickleball matches to delicious hot dogs, face painting, and a variety of organized activities, there was something for everyone to enjoy! The energy was electric, the smiles were wide, and the spirit of community shined at Elmridge.

HOW WE DECIDE WHEN TO CANCEL MIXERS/CLINICS DUE TO WEATHER

Making the decision on when to cancel mixers and clinics due to weather is never easy. We check multiple weather forecasts, including radars, to give us the most accurate predictions. A mixer or clinic is cancelled if the forecast shows a 50% chance or higher of rain.

The final decision is made approximately 2 hours before the start time of the event to balance forecast precision with giving participants enough notice.

Cancellation policies:

If a free clinic is cancelled, participants are automatically transferred to the same clinic the following week. If they can't attend the new date, they must remove themselves from the Court Reserve booking.

FRIENDLY REMINDERS

Can't make it to an event you signed up for?

Let us know so others on the waitlist can join! Cancellations help us plan the number of courts needed, and ensure everyone gets a chance to play.

Please wait outside the courts until your reservation time. This helps minimize disruptions for players already on the court.

Thank you for helping us keep things running smoothly!
